“Workforce Staffing USA brings the unique and trusted services of a global staffing support leader to American shores. Let us help you secure talent and fast-track business growth with world-class support.”

- Gen Brand, Country Head of
Workforce Staffing North America

A 50-year legacy in staffing solutions

Workforce Staffing USA is born of South African company **Workforce Staffing, a subsidiary of Workforce Holdings Limited**. The Workforce group of companies is a leading, trusted provider of employment, training, healthcare, wellness, financial benefits and lifestyle services to individuals and their employers across Africa, South America, Europe and now the United States.

ASSISTANTS

Our choice of experienced and qualified assistants will fit your business needs. The demand for virtual assistants has increased and also provides an easy avenue for a second income for individuals with a work high drive.

HR & PAYROLL

Our candidates are eloquent and well-versed in employee relations, HR, and payroll management. These vital roles play an essential middle-man function between the employer and employees.

ACCOUNTING & BOOKKEEPING

Manage peak periods with the best accounting staff, flexibly and reliable. Month-end and managing project-based financials is effortless with our SAICA-accredited and qualified accountants.

CONTRACTING (TES)

Receive versatile staffing solutions across industries. Temporary Employment Services deliver high-impact results with minimal complications and maximum output.

LET'S GET TALKING
